

TED^x Rotterdam

x = independently organized TED event

TEDxRotterdam. *Somethink completely different.*

Op 4 juni delen grote denkers, doeners en performers kennis, ideeën en passie met Rotterdam en de wereld.

Raak geïnspireerd door meer dan twintig sprekers, verhalen en optredens over wetenschap, technologie, design en alles uit het leven. Met bezieling. Recht uit het hart. Eerlijk, sterk, helder en inspirerend. Some think completely different.

TEDx heeft honderdduizenden geïnspireerd mooie ideeën te verwezenlijken. TEDxRotterdam verrijkt je kennis, ontroert je, verandert je. Net als Rotterdam is TEDxRotterdam gericht op vernieuwing en ontwikkeling.

TEDxRotterdam is één dag van twaalf uur, die ons denken en handelen verandert. TEDxRotterdam is vrij van geest, non-profit en heeft geen politieke, commerciële of religieuze doelen.

TEDxRotterdam nodigt vernieuwers uit met ideas worth spreading. En daar hoor jij, natuurlijk, ook bij!

TEDxRotterdam

In the spirit of "ideas worth spreading," TED has created TEDx. TEDx is a program of local, self-organized events that bring people together to share a TED-like experience. Our event is called TEDxRotterdam, where x = independently organized TED event. At TEDxRotterdam, TEDTalks video and live speakers will combine to spark deep discussion and connection in a small group. The TED Conference provides general guidance for the TEDx program, but individual TEDx events, including ours, are self-organized.

About TED

TED is a nonprofit organization devoted to Ideas Worth Spreading. Started as a four-day conference in California 25 years ago, TED has grown to support those world-changing ideas with multiple initiatives. The annual TED Conference invites the world's leading thinkers and doers to speak for 18 minutes. Their talks are then made available, free, at TED.com. TED speakers have included Bill Gates, Al Gore, Jane Goodall, Elizabeth Gilbert, Sir Richard Branson, Nandan Nilekani, Philippe Starck, Ngozi Okonjo-Iweala, Isabel Allende and UK Prime Minister Gordon Brown. The annual TED Conference takes place in Long Beach, California, with simulcast in Palm Springs; TEDGlobal is held each year in Oxford, UK. TED's media initiatives include TED.com, where new TEDTalks are posted daily, and the Open Translation Project, which provides subtitles and interactive transcripts as well as the ability for any TEDTalk to be translated by volunteers worldwide. TED has established the annual TED Prize, where exceptional individuals with a wish to change the world are given the opportunity to put their wishes into action; TEDx, which offers individuals or groups a way to host local, self-organized events around the world, and the TED Fellows program, helping world-changing innovators from around the globe to become part of the TED community and, with its help, amplify the impact of their remarkable projects and activities.
